Soliciting Sanction to the purchase of the "Locke Adder or Universal Calculating Machine"

(Sur: Supdt's Letter no. 500 of 18/12/02)

Note

The Sur: Supdt Solicits Sanction to the purchase of a single machine now for the Sake of experiment, so that, if it is found very useful, he may purchase some more for the use of his office. A draft Sanctioning the purchase is submitted

The uses of the machine are described as being too many (Please see the booklet accompanying the Sur: Supdt's Letter). May a machine be ~~also~~ also purchased for the use of the Accounts Section of this Branch for the Sake of experiment. It may be found very useful as there is too much of Calculation work here. Besides the price of the machine is ~~also~~ not much as it is said to be worth only Rs 15/-
